BIENVENUE EN FRANCE

The institution received the highest rank of the label «Welcome to France» which rewards the quality of the welcome offered to international students.

ISae SUPAERO
Institut Supérieur de l'Aéronautique et de l'Espace

SSAE PROGRAM

ISAE-SUPAERO

/ At the forefront of aerospace innovation since 1909

/ An exceptional environment in the heart of Toulouse, Europe's leading hub of aerospace industries, laboratories and universities

/ World-class research equipment and facilities: wind tunnels, turbofan test bed, flight simulators, aircraft fleet, autonomous systems platform, clean rooms for satellite integration, embedded systems platforms

/ An international campus: 30% international students, 60 nationalities

/ A vibrant, centrally located campus with residence halls and an extensive choice of sports facilities

OVERVIEW

/ A full semester in English for junior and senior bachelor students in aeronautical or mechanical engineering program

/ An undergraduate credit transfer mobility program, no tuition fees involved for partner universities

/ No prior knowledge of French required

ACADEMIC PROGRAM

5 courses of 6 ETCS each:

/ Aircraft design

/ Applied aerodynamics and propulsion

/ Aircraft structures

/ Representation, analysis and dynamic systems control

/ Research Project (12 ECTS)

/ Introduction to French language, culture and to the aerospace industry in France
